of the Cranberry Bowl it was Wareham's evening as Nancy Gibson was crowned. Joan Balkus, left, was named first runner-up, and Nancy Rodrigues was chosen second runner-up. All three girls are Wareham High School students. This contest must have been a hairline decision for the judges because the Old Rochester candidates were extremely attractive in their gowns and victory smiles.

The bottom photo is what the day is all about as Coach Jerry Oliva, Danny Sullivan and Bill Knapton, co-captains; assistant coaches John Shockro and Jeff Mendall accept the coveted Cranberry Bowl from Mr. Kenneth Kelley, president of the Regional Scholarship Club, sponsors of the annual Cranberry Bowl and Dance. The Old Rochester team won the trophy in the Saturday afternoon game with a 14 to 0 score. Story on Page 6.

Veterans' Day Parade

Fair skies and mild temperatures smiled on the observance of Veterans' Day as Wareham hosted the tri-town parade. A large crowd of people from the area turned out to watch the marchers in a fine parade that featured several floats. Two of the floats were by the students of Old Rochester who

Cranberry Bowl Returns

The Bulldogs came to win. From the opening moments of the Cranberry Bowl the determination was clear. It was a team working in unison that jolted the Vikings of Wareham as the Bulldogs put it together as in no other game all year. Loyal Old Rochester fans, young and old, were warmed by the spectacle as the damp cold chilled their bones.

Old Rochester exploded on the first play for them. Tim Reilly dropped back and lofted a long floater. In a tremendous effort, Richard Silvia went up and gathered in the pass while falling back. He landed flat on his back with the ball safely clutched to his stomach for a 42-yard play. The Vikings halted this initial threat but the momentum had been set for the game and the Old Rochester players meshed into a team effort.

Top - Diving into the end zone carrying half the Wareham team on his back, Danny Sullivan makes the second Bulldog touchdown. A minute or two later Danny carried for the extra points.

Bottom - Players fly in all directions as the Wareham drive is stopped short of the end zone.

The defensive unit of the Bulldogs diagnosed the offensive plays and hit hard. The offensive line opened lanes for the Bulldog backs, Bill Knapton, Danny Sullivan, Tim and Richard Reilly, who showed a new quickness as they plunged for repeated gains.

The first score was the result of a sustained drive of 53 yards late in the first period. The Bulldogs controlled the ball moving on the ground all the way. Tim Reilly started it off by scoring a first down on a keeper. Sullivan and Knapton both carried for a first down on the 28 from the Wareham 40. A Bulldog fumble was returned on the 18 when the Wareham team was ruled offside. Tim pitched to brother Richard who ran hard until stopped on the 5. Knapton broke into the end zone carrying Wareham defensive men on his back. It was 6 to 0. O.R. tried for 2 points but Richard Mott was snowed under.

The Bulldog defense was solid. Wareham

was stopped cold and forced to punt. O.R. took the ball on its 17 and again drove to score. This time they went the distance in 12 plays. Richard Reilly and Bill Knapton shared the carrying for most of the drive which was highlighted by Knapton's 37-yard run which took O.R. to the Wareham 23. Richard Reilly carried twice to move the team to the 11. Knapton made 4 yards to the 7. Tim Reilly kept the ball and made 5 to the 2 yard line. Danny Sullivan cracked over carrying most of the Wareham team. Sullivan carried for the conversion and proved he could do it again as he added 2 points. The score was 14 to 0.

The third period saw Old Rochester stopped deep in its own territory. Knapton was forced to punt into the stiff wind and his kick was short to the Bulldog 33. The defense was solid. Wareham was thrown back. Two passes were incomplete. Old Rochester took over on its own 35. This time, Ware-

ham's defense held tight. They took over the ball and moved to the O.R. 44. An alert Lincoln Brown dove on a Wareham fumble to give the ball back to Old Rochester.

Wareham threatened on a sustained drive early in the fourth quarter after Tony Fernandes recovered the ball after a Bulldog fumble. They took over on the 45. Billy Andrade, Art Carey and Todd Andrews carried to a first down. A penalty against the O.R. team moved the ball to the Bulldog 24. Carey carried for 5 yards. Then he threw to David Paling and completed to the 6. The Bulldog defense then saved the score as they broke in on Andrade and dropped him back to the 12. On the next play the Viking line opened a massive hole and Carey scooted to the 3-yard line. On the third down, Carey was dropped for no gain. Carey kept the ball on fourth and went for his right side. Richard Silvia swung him out of bounds at the one yard line to save

Assisting her will be Mrs. Herbert Arral, Mrs. Fred Bieringer, Mrs. Marjorie Cory, Miss Dorothy Fox, Miss Audrey Hedge, Mrs. Kjeld Jensen, Mrs. Charles Kelly, Mrs. Louis Klein, Mrs. Edward Lewis, Mrs. Mark McIntyre, Mrs. Timothy Manning, Mrs. James Moran, Mrs. Joseph Nunes, Mrs. Anthony Pelson, Mrs. John Ruggles, Mrs. Robert B. BABE RUTH LEAGUE BANQUET

A large turnout gathered Friday night at the cafeteria at Old Rochester Regional High School for the Babe Ruth Baseball League Banquet despite a pelting cold rain. The highly successful affair by the new organization is testimony to the interest by parents in these young athletes. The organization, comparatively new in this area, owes its inception and growth to the interest and effort of Mr. Floyd Empey who has promoted and organized and recruited the teams and managers so that the boys could enjoy the competition and instruction that make this baseball so worthwhile for the young players. Mr. Empey was presented with a gift to symbolize the appreciation of his efforts.

Graduating players of the league were presented with handsome jackets as were the league champions, the Mattapoisett Mohawks.

Mr. Robert Gardner officiated as master of ceremonies. He introduced the head

table guests and presented the trophies and gift jackets.

Mr. Ruy Carvalho introduced the head speaker, Joe Andrews. He said Mr. Andrews was a Durfee High athlete who graduated in 1948. He was active in all sports and excelled in them through high school, and in the University of Washington. He was signed by the Boston Braves and played on their farm system in Jackson, Mississippi and in Kentucky. He and Henry Aaron led the Class B league in hitting in 1950. Aaron was first and Andrews, second. With this background, Mr. Andrews would hold the interest of any young ball player. The message that he carried was certainly one of the most important that they will ever hear. While he spoke, you could hear the attention among his audience. Joe Andrews spoke not of personal honors and exploits. He spoke of a great career that might have been. Out of his own experience he told these young athletes of the pitfalls that could destroy their lives as competing athletes if they were not wise enough to avoid temptation that surely comes their way. There is no message quite so powerful as that of a courageous man telling the facts. Everyone present had reason to reflect on Joe Andrews' integrity which he uses so effectively to counsel young ball players, prison inmates and A.A. members. Mr. Andrews did not say don't do this. He did say - this is what I dreamed, this is the skill that I had, this is the future that I held and this is what I lost.

Monica Dickens, a great-granddaughter of Charles Dickens, has written some 19 books. Her latest, The End of The Line, is a perceptive, richly complex novel about lonely and forgotten people and about those who answer. The story centers on the Samaritans, an organization dedicated to preventing suicide and helping the desperate. Monica Dickens offers moving portraits of the individual samaritans and of the men and women they befriend.

Charley's Aunt Friday

Rehearsals of "Charley's Aunt" are now in progress. Shown in action are, left to right, Scott Pare, Joel Hartley, Martha Lorentz and Jeff Dunn.

The Looking Glass Players of O.R.R. are luring you away from your warm, cozy homes this Friday night to present to you "Charley's Aunt". Weeks of hard work - and learning - have been put into this production and they want to share it with you in this light-hearted comedy. It all starts when Charley Wykeham and Jack Chesney fall in love. They are so taken with these girls that they love them even more than playing cricket. But how can they tell them so? Charley has a long, lost, millionaire aunt who is arriving so they take advantage of this to invite the girls over to meet her. Just before Kitty and Amy arrive the boys find out that Donna Lucia isn't coming as expected. The girls, being proper English girls, wouldn't dream of staying for luncheon without a chaperone, so...Lord Fancourt Babberly is volunteered to impersonate Donna Lucia and the fun begins. The real Donna Lucia does arrive as scheduled and things really start to snowball.

ley's aunt) is played by Debby Clark and her young, wistful ward, Ela Dehahey, is Martha Lorentz. Jeff Dunn is Jack Chesney's father, Sir Francis Chesney who comes unexpectedly from service in India. The rather raucous and uncouth Stephen Spettigue who is Amy's uncle and Kitty's guardian is played by Scott Pare, and Joel Hartley portrays the pompous butler, Brasset.

Tickets may be purchased at the door or from one of the players. Curtain time is 8:00 P.M. So, why not relax this Friday night and share a bit of England with the Looking Glass Players as they reflect all the gaiety of "Charley's Aunt".

TO THE EDITOR

The citizens of Mattapoisett can be justly pround of their efficient police force. Evidence of this was sharply brought to our attention especially on September 21, 1970 when our son became seriously ill at home. Efforts to reach a doctor failed. Officer Robert Silveira learned of our plight, came to our house, then with the help of Deputy Chief Tuttle and some unidentified youths whom Officer Silveira comandeered from the nearby ball field, took our son by ambulance to Tobey Hospital.

Once at the hospital Officer Silveira continued to show his knowledge of First Aid, and worked along with the nurses in the emergency room and then in the intensive care unit to literally save our son's life.

After a little over two weeks, we found it necessary to again call on our Town facilities for aid. Officer Santos arrived promptly at Tobey and returned our son home. He was met at our door by Officer Viera in the cruiser. Both men carried Roy, Jr. into the house, then set up the hospital bed which Manny Nunes had so thoughtfully delivered to our house before we arrived.

We are so grateful to all who helped us, the words "thank you" hardly seem adequate.

The thanks of our son and our whole family are intended also for Priests and parishioners of St. Anthony's who have kept Roy, Jr. in their prayers these many weeks, as well as to the numerous friends who sent him cards and Spiritual Remembrances.

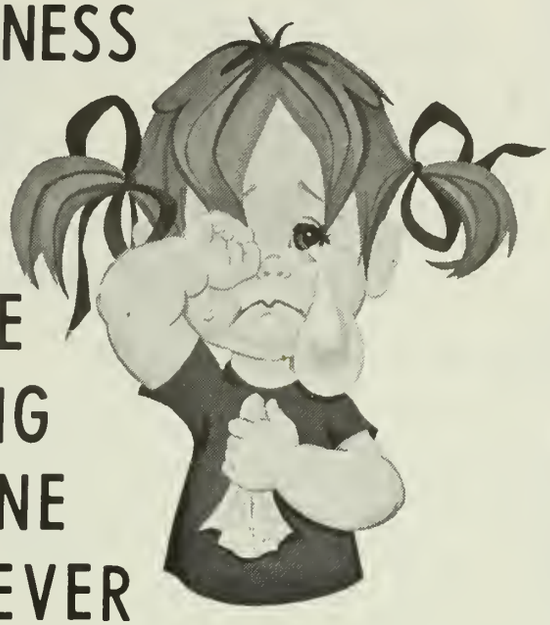
SADNESS IS SOME THING GONE FOREVER



Every home is a collection ot treasures, replaceable at great expense or irreplaceable at any price. There is no sadder day than the morning after the thief has left. You can protect your home against the ever mounting threat of robbery. Professional thieves can be stopped by a professionally installed alarm system. What the hoodlum fears most is noise that will attract attention and increase his chance of being caught. Many homes in this town are now protected. Some are wired directly to the police station where they are monitored 24 hours a day.

Benco Security Systems is your most experienced designer of alarm systems. We are consulted by banks, credit unions, department stores, school systems as well as private homes and have designed systems for all of these clients. We employ bonded, trained technicians and maintain 24 hour service in unmarked vehicles.

There are alarm systems in a wide range of prices to fit a great many different needs. Complete installation can be made within 2 weeks. We invite you to phone us or stop in at our modern showroom to discuss your needs. It may well be the best few minutes you'll ever invest for the peace and security of your family and the safety of your home and belongings.

If you have a neighbor with a system, ask him about it. The chances are that it was installed by Benco because we are one of the oldest, most experienced companies in this area. Service is important. We know it and are proud of ours.

"RESOLUTION" SAILS TO VIRGIN ISLANDS

On October 18th Jerry Stratton again sailed his 39 foot yawl "Resolution" to St. Thomas in the Virgin Islands. The crew this year, in addition to Stratton, comprised Donet Couet, his second tripp, Dr. Charles Phillips, his first time in a sailboat, and Lawrence Warner of Marion.

The only stop-over was at St. George's, Bermuda, which is approximately 650 miles to the Southeast of Mattapoisett. After a four day lay-over to make minor repairs, do some sight-seeing and put some weight back on, the Resolution sailed on to St. Thomas, another eight hundred miles due South, arriving on November 5th.

In spite of the usual mixed bag of Atlantic weather, sporadic bouts with seasickness and occasional silent doubts about the accuracy of Stratton's self-taught navigation, all members of the crew expressed enthusiasm for the trip - after it was over!

The Resolution will spend the winter at Antilles Yachting Services in St. Thomas. She will be available for charter on a bareboat basis (no crew) in the sparkling waters and warm sunshine of the Virgins. She should return to Mattapoisett some time next May.

Stratton, the skipper and owner of Resolution, expressed his gratitude to Couet, Phillips and Warner for their help in taking Resolution south. This is always a rough trip in a small boat and the crew took the difficult conditions in stride, displaying a great amount of resourcefulness and stamina.
